- 1.14 **"The DCES Provider"** means the company, or its appointed management representative, holding the concession for that designated area or rights to that nominated building and it is being contracted for the bulk supply of chilled water services exclusively.

### 2.0 Terms and Conditions

#### 2.1 Standard Conditions of Service (DCES)

This agreement legally binds the under signatory with the Service Provider

- 2.1.1 The Customer agrees at all times to conform and abide by the Standard Conditions of the Service Provider.
- 2.1.2 The term of this Agreement will commence on the date the Customer took ownership or possession of the unit, whichever is earlier.
- 2.1.3 The Customer shall have the right to request, and the Service Provider shall make available, the Conditions of Service current at any particular time.
- 2.1.4 The Service Provider shall comply with the obligations specified in this Agreement.
- 2.1.5 **The failure of Service Provider to strictly enforce the Conditions of Service or to exercise any right conferred by the Conditions of Service shall not be construed as a waiver or relinquishment of the Service**

#### **Provider's right to enforce or rely upon such terms or rights in the future.**

- 2.1.6 The Customer acknowledges and accepts that Service Provider shall have the right to adjust its charges, and these charges shall be no more than the published Consumer Price Index (CPI) inflation rate in Dubai.
- 2.1.7 The Customer acknowledges that the Consumption Charge rate is outside the Service Provider's control and may be adjusted in line with the rates of the DCES provided to the building.
- 2.1.8 **Access to the Unit:** The Customer will grant safe and unobstructed access to the Unit to any legitimate representative of the Service Provider or any associated company to inspect the meter or any other part of the chilled water system.
- 2.2 **Charges**
  - 2.2.1 **Declared Load (Capacity Charge)**  
Declared Load will typically be invoiced "quarterly in advance" at the prevailing rate set by the DCES Provider.
  - 2.2.2 **Consumption Charge**  
Service Provider will charge the Customer on a monthly basis in arrears at the prevailing rate a Consumption Charge per Ton-Hour of consumption based on actual usage of DCES in the Unit.
  - 2.2.3 **Fuel Surcharge**  
A variable fuel surcharge from DEWA at the prevailing rate will be charged every month.
  - 2.2.4 **Other Charges**  
If the services have been penalized and/or disconnected the Customer will pay a disconnection, reconnection and penalty charge as per the amount set out in the "Schedule of Fees" for each event or occurrence. The Customer's liability to pay such reconnection charges is without prejudice to any other rights and remedies which the Service Provider may be entitled to exercise.
  - 2.2.5 The Customer understands and agrees that, in certain circumstances, which will be advised separately, the above charges may, at the request of the Building Management, be retrospectively charged to a date specified in that advice.

#### 2.3 Maintenance

Maintenance of BTU meters is under the scope of the Service Provider.

#### 2.4 Invoicing and Payment

- 2.4.1 The Customer agrees to pay all charges including, but not limited to the declared load and the Consumption Charges. Please refer to the "Schedule of Fees" for details of applicable charges.
- 2.4.2 At times, the Service Provider has the right to send invoices to the Customer based on estimated consumptions. The maximum period of estimated invoices shall not exceed 3 (Three) billing cycles.
- 2.4.3 The Customer shall settle in full the amount invoiced on or before the payment date stated on the monthly invoice even if an invoiced amount is in dispute or the accuracy of the metering equipment is in dispute.
- 2.4.4 The Unit Owner/Tenant remains responsible for all charges during the period the Unit is vacant and/or the account remains in the name of the Unit Owner/Tenant. In all cases the Unit Owner remains jointly responsible for any non-payment with the Tenant and in the event that payment for DCES is not made, the Unit Owner along with the Tenant, if the Unit is leased, are responsible for any unpaid balance on the account and all disconnection and/or reconnection charges if the service is disconnected.
- 2.4.5 The provision of DCES to a Customer is contingent upon payment of all charges due from the Customer. The payment date for each monthly invoice shall be the date identified as 'due date' on the relevant monthly invoice. Failure

by a Customer to settle an invoice within fourteen (14) days of submission of the relevant invoice will result in the Service Provider giving a notice of non-payment to the Customer. After seven (7) days of issuing the notice, a final reminder in the form of a disconnection notice will be sent in case of non-payment.

2.4.6 The Customer shall pay a late payment charge in accordance with the applicable rate for any delay in payment without reasonable excuse. If such non-payment continues for more than fourteen (14) days after the due date, the Service Provider is entitled to disconnect the supply of DCES to the Unit until all amounts owing to the DCES Provider and the Service Provider are paid in full.

2.4.7 Disconnection

In the event of disconnection of DCES, Service Provider shall be entitled to charge a disconnection/reconnection fee as per the "Schedule of Fees" outlined in this Agreement. The Service Provider will suspend DCES in the event the request is made by a legal authority, such as: a court order, regulatory supervisory bureau, building owner, or any other authority.

2.4.8 The Customer agrees to pay the Service Provider the costs of collection, as often as any such costs may be incurred, of any amount which may become payable to the Service Provider for Cooling Services but which are not paid when due. Such costs shall include, but not be limited to, charges by any collection agency, legal fees, and court costs.

2.4.9 **Security Deposits**

2.4.8.1 The Customer (both Tenant and Owner) acknowledge and agree to pay an initial refundable deposit.

2.4.8.2 In case the Customer has failed to perform any of their obligations mentioned in this Agreement or failed to pay any overdue amount and/or invoice within fourteen (14) days from the due date, then the Service Provider would be entitled to fulfil such breach or settle the due amount from the above said deposit, subject to the Client's instructions or as deemed fit to the Service Provider. The DCES services will remain disconnected until the Customer reinstitutes the deposit to its original amount within seven days on receipt of notice from the Service Provider.

2.4.8.3 In case the Customer has failed to reinstitute the deposit to its original amount within the said period, Service Provider shall add such required amount to the next monthly invoice. If Service Provider deducts the amount from the deposit in accordance with Paragraph 2.4.8.2 above, and the balance of the deposit is reduced to zero. Service Provider shall only be required to resume DCES provision after Customer has:

- Paid all due amounts, invoices, and fines.
- Reinstated deposit full amount.
- Paid the disconnection and reconnection fees.

### 2.5 Transfer of Service

The services covered in this agreement may be transferred only after the Tenant settles all outstanding amounts on the account. When the tenant leaves the unit, the Landlord/Owner will continue to be responsible for Cooling Energy Service charges until a new tenant moves into the unit or the unit is transferred to a new owner.

### 2.6 Limitation of Liability and Indemnity

2.6.1 Service Provider, its officers, directors, employees, affiliates and agents will not be liable for any personal injury, loss or damage to property, or any loss of life arising from the service provided under this contract.

2.6.2 The Customer acknowledges that Service Provider is not responsible for the supply of chilled water to the Building in which the Unit is located and cannot be held responsible for any failure of such supply.

2.6.3 The Customer shall indemnify and hold Service Provider harmless of any claims, damages and losses arising out of – or in connection with – the Customer's failure to comply with the terms of this Agreement. In no event will Service Provider be liable for any direct, indirect, special or consequential losses of any kind including, but not limited to, loss of revenue or anticipated profits.

### 2.7 Force Majeure

In the case of a Force Majeure, the Party affected shall not be held liable for any failure or delay for the period that such failure or delay is due to causes beyond its reasonable control.

### 2.8 Termination of Service

If a Unit is sold/leased without the Service Provider issuing a non-objection certificate, the Owner and/or the Tenant will remain responsible for all charges up until the date a new Owner/Tenant registers with the Service Provider and signs a new Agreement.

### 2.9 Privacy Policy

Subject to applicable laws, the Service Provider promises not to disclose the Customer's information to any other person or entity.

### 2.10 Certification

Customer warrants that all the information provided herein is true and correct and understands that false and misleading information shall be a cause for termination of this Agreement.

### 2.11 Compliance with the Laws

The Customer warrants that it shall comply with all applicable laws at all times during the term of this Agreement.

### 2.12 E-Signature

The Customer and Service Provider acknowledge and agree that the use of an e-signature shall signify acceptance to be bound by the terms of this Agreement as though the Customer or Service Provider had signed an original copy of this Agreement and that such e-signature shall constitute a validly binding Agreement between the Customer and Service Provider.
