responsible for any non-payment with the Tenant and in the event that payment for DCES is not made, the Unit Owner along with the Tenant, if the Unit is leased, are responsible for any unpaid balance on the account and all disconnection and/or reconnection charges if the service is disconnected.

2.4.5 The provision of DCES to a Customer is contingent upon payment of all charges due from the Customer. The payment date for each monthly invoice shall be the date identified as 'due date' on the relevant monthly invoice. Failure by a Customer to settle an invoice within fourteen (14) days of submission of the relevant invoice will result in the Service Provider giving a notice of non-payment to the Customer. After seven (7) days of issuing the notice, a final reminder in the form of a disconnection notice will be sent in case of non-payment.

2.4.6 The Customer shall pay a late payment charge in accordance with the applicable rate for any delay in payment without reasonable excuse. If such non-payment continues for more than fourteen (14) days after the due date, the Service Provider is entitled to disconnect the supply of DCES to the Unit until all amounts owing to the DCES Provider and the Service Provider are paid in full.

#### 2.4.7 Disconnection

In the event of disconnection of DCES, Service Provider shall be entitled to charge a disconnection/reconnection fee as per the "Schedule of Fees" outlined in this Agreement. The Service Provider will suspend DCES in the event the request is made by a legal authority, such as: a court order, regulatory supervisory bureau, building owner, or any other authority.

2.4.8 The Customer agrees to pay the Service Provider the costs of collection, as often as any such costs may be incurred, of any amount which may become payable to the Service Provider for Cooling Services but which are not paid when due. Such costs shall include, but not be limited to, charges by any collection agency, legal fees, and court costs.

#### 2.4.8 Security Deposits

2.4.8.1 The Customer (both Tenant and Owner) acknowledge and agree to pay an initial refundable deposit.

2.4.8.2 In case the Customer has failed to perform any of their obligations mentioned in this Agreement or failed to pay any overdue amount and/or invoice within fourteen (14) days from the due date, then the Service Provider would be entitled to fulfil such breach or settle the due amount from the above said deposit, subject to the Client's instructions or as deemed fit to the Service Provider. The DCES services will remain disconnected until the Customer reinstates the deposit to its original amount within seven days on receipt of notice from the Service Provider.

2.4.8.3 In case the Customer has failed to reinstate the deposit to its original amount within the said period, Service Provider shall add such required amount to the next monthly invoice. If Service Provider deducts the amount from the deposit in accordance with Paragraph 2.4.8.2 above, and the balance of the deposit is reduced to zero, Service Provider shall only be required to resume DCES provision after Customer has:

1. Paid all due amounts, invoices, and fines.
2. Reinstated deposit full amount.
3. Paid the disconnection and reconnection fees

#### 2.5 Transfer of Service

The services covered in this agreement may be transferred only after the Tenant settles all outstanding amounts on the account. 2.6.1 Service Provider, its officers, directors, employees, affiliates and agents will not be liable for any personal injury, loss or damage to property, or any loss of life arising from the service provided under this contract.

In the case of a Force Majeure, the Party affected shall not be held liable for any failure or delay for the period that such failure or delay is due to causes beyond its reasonable control.
