2.4.5 The Customer shall pay a late payment charge in accordance with the applicable rate for any delay in payment without reasonable excuse. If such non-payment continues for more than fourteen (14) days after the due date, the Service Provider is entitled to disconnect the supply of LP Gas to the Unit until all amounts owing to the Service Provider are paid in full.

### 2.4.6 Disconnection

In the event of disconnection of LP Gas, Service Provider shall be entitled to charge a disconnection/reconnection fee as per the "Schedule of Fees" outlined in this Agreement. The Service Provider will suspend LP Gas in the event the request is made by a legal authority, such as: a court order, regulatory supervisory bureau, building owner, or any other authority.

2.4.7 The Customer agrees to pay the Service Provider the costs of collection, as often as any such costs may be incurred, of any amount which may become payable to the Service Provider for LP Gas but which are not paid when due. Such costs shall include, but not be limited to, charges by any collection agency, legal fees, and court costs.

### 2.4.8 Security Deposits

2.4.8.1 The Customer (both Tenant and Owner) acknowledge and agree to pay an initial refundable deposit.

2.4.8.2 In case the Customer has failed to perform any of their obligations mentioned in this Agreement or failed to pay any overdue amount and/or invoice within fourteen (14) days from the due date, then the Service Provider would be entitled to fulfil such breach or settle the due amount from the above said deposit, subject to the Client's instructions as deemed fit to the Service Provider. The LP Gas services will remain disconnected until the Customer reconstitutes the deposit to its original amount within seven days on receipt of notice from the Service Provider.

2.4.8.3 In case the Customer has failed to reinstate the deposit to its original amount within the said period, Service Provider shall add such required amount to the next monthly invoice. If Service Provider deducts the amount from the deposit in accordance with Paragraph 2.4.8.2 above, and the balance of the deposit is reduced to zero, Service Provider shall only be required to resume LP Gas provision after Customer has:

1. Paid all due amounts, invoices, and fines.
2. Reinstated deposit full amount.
3. Paid the disconnection and reconnection fees

### 2.5 Transfer of Service

The services covered in this agreement may be transferred only after the Tenant settles all outstanding amounts on the account. When the tenant leaves the unit, the Landlord/Owner will continue to be responsible for LP Gas charges until a new tenant moves into the unit or the unit is transferred to a new owner.

### 2.6 Limitation of Liability and Indemnity

2.6.1 Service Provider, its officers, directors, employees, affiliates and agents will not be liable for any personal injury, loss or damage to property, or any loss of life arising from the service provided under this contract.

2.6.2 The Customer shall indemnify and hold Service Provider harmless of any claims, damages and losses arising out of – or in connection with – the Customer's failure to comply with the terms of this Agreement. In no event will Service Provider be liable for any direct, indirect, special or consequential losses of any kind including, but not limited to, loss of revenue or anticipated profits.

### 2.7 Force Majeure

In the case of a Force Majeure, the Party affected shall not be held liable for any failure or delay for the period that such failure or delay is due to causes beyond its reasonable control.

### 2.8 Termination of Service

If a Unit is sold/leased without the Service Provider issuing a non-objection certificate, the Owner and/or the Tenant will remain responsible for all charges up until the date a new Owner/Tenant registers with the Service Provider and signs a new Agreement.

### 2.9 Privacy Policy

Subject to applicable laws, the Service Provider promises not to disclose the Customer's information to any other person or entity.
